environmental organization.

We are writing to you because we are deeply concerned about your relationship with PT Maju Aneka Sawit (PT MAS or Maju Aneka), a subsidiary of Musim Mas Group operating in East Kotawaringin District, Central Kalimantan Province. Per Friesland Campina's 2024 and 2025 Palm Oil Mill List, PT MAS is one of your suppliers. Publicly available documents indicate that you have been sourcing from Maju Aneka since as early as 2020.

Our concerns stem from the results of an investigation, which has uncovered evidence of a series of potential violations of Indonesian law, RSPO principles, and your company's supplier sustainability policies, including the "No Deforestation, No Peat, and No Exploitation (NDPE)" standard.

In the attachment we have provided evidence that PT MAS' actions could be threatening the rights of local communities and the environment. This evidence raises serious questions about PT MAS' commitment to environmental sustainability, social responsibility and ethical business practices.
