Dear Kim,

Thank you for your attention to this matter.

We were not able to locate information about Kenvue's palm oil mill lists (suppliers) from 2022-2026. Could you please direct us to the relevant information on your website?

As requested, attached are supporting documents for our findings of violations by PT MAS and the following companies:

| Parent Company               | Plantation/Mill Company - UML ID                                                               |
|------------------------------|------------------------------------------------------------------------------------------------|
|                              |                                                                                                |
| <b>Musim Mas</b>             | <b>PT Maju Aneka Sawit - PO1000000170</b>                                                      |
|                              |                                                                                                |
| <b>Genting Plantations</b>   | <b>PT Globalindo Agung Lestari - PO1000010078</b>                                              |
|                              |                                                                                                |
| <b>Triputra Agro Persada</b> | <b>PT Gawi Bahandep Sawit Mekar - PO1000001618</b>                                             |
|                              |                                                                                                |
| <b>Sinar Mas/GAR</b>         | <b>PT Mitra Karya Agroindo - Tangar - PO1000004656</b>                                         |
|                              |                                                                                                |
| <b>Sinar Mas/GAR</b>         | <b>PT Mitra Karya Agroindo - Sungai Rungau - PO1000001155</b>                                  |
|                              |                                                                                                |
| <b>KLK</b>                   | <b>PT Mulia Agro Permai - PO1000008095</b>                                                     |
|                              |                                                                                                |
| <b>KLK</b>                   | <b>PT Karya Makmur Abadi - PO1000007550</b>                                                    |
|                              |                                                                                                |
| <b>KLK</b>                   | <a href="#"><u>PT Menteng Jaya Sawit Perkasa - No mill, sends FFB to Mulia Agro Permai</u></a> |

We hope the documents can help in your review of the issue.

We look forward to hearing from you soon.

Regards,

TuK INDONESIA
